Gamekeepers Cottage

Chillingham
Sleeps 4
Saturday Arrivals/Pets Welcome

This delightfully converted two-storey stone built holiday cottage provides splendid holiday accommodation in an exclusive location in the heart of the Northumbrian countryside.

The seaside and mature Cheviot Hills are both just a short drive away and you will find river fishing and a fjord for children to paddle in nearby. Stroll down the lane and you will come across the ancient and remarkable Castle of Chillingham. It is the home of Sir Humphry Wakefield who has lovingly restored the complex masonry, metalwork and ornamental plaster.

Gamekeepers Cottage is one of three holiday cottages in the square at Chillingham. The caretaker resides next door and is available for you to contact at anytime during your stay. For a small fee, the caretaker will sort out your domestic chores, babysit, or advise you on river fishing – all you have to do is ask.

The full collection of holiday cottages can be booked together for a party of up to twelve guests - perfect for that family holiday, corporate event or New Year getaway with friends.
